

Inverter Compatibility Statement

Attention: CEC

As the certificate holder of the product, the following declaration is confirmed.

After testing and verification, we can confirm that the following GoodWe inverters are compatible with Soluna battery.

The models are as follows:

Inverter: GoodWe Inverter ET Series

Battery: Soluna 15K Pack HV

The compatibility is based on the inverter and battery BMS firmware version from ARM07 and higher version

Battery control unit firmware version BCU_I V300R002BOOJ.C002 and higher versions.

For HV Batteries

Battery Brand	Battery Model	Inverter Series							
		ES	EM	BP	SBP	ET	BT	EH	BH
Soluna	Soluna 15K Pack HV					•			

Note:

1. ARM firmware versions 07 and above are compatible with Soluna 15K Pack HV.

Thank you for your consideration.
